

Hair Dryer Stainless Steel Look with Hose, SC1088HTCS

More and more schools and companies have their own sports facilities. A well-equipped sanitary area is essential for this. Our Mediclinics series is specially designed for the installation of the most complete sanitary rooms. This wall-mounted hair dryer not only stands out for its high-gloss appearance, but also excels in ease of use. The flexible hose eliminates the need for a fixed drying location. With the push of a button, your guest can enjoy at least one and a half minutes.
