

Hand Dryer Push Button Stainless Steel, E05CS

Product sheet

Interior architects are enthusiastic about the robust and contemporary products from the Mediclinics range. That is why our customers also choose the warm air hand dryer from Mediclinics. With this luxurious high-gloss variant, you will find a real eye-catcher. This stainless steel hand dryer simply cannot escape your attention. The mat-finished hood with the subtly installed push button shows that practical design can also be beautiful. With a press of the button you activate the
