

Hygiene Bag Dispenser (Paper/Plastic) Stainless Steel, QHBDS SSL

If you want to furnish your toilet rooms completely and comfortably, you cannot do without a hygiene bag holder. After all, you want these paper or plastic bags to be within reach at the right moments. With this stainless steel hygiene bag holder, you have a simple but proven solution. The life-size Q by which you recognize the Qbic-line series forms the dispensing opening. A good idea from the designers. Just as easily as you remove a hygiene bag, you can refill the bags just as easily.
