

Hygiene Bag Dispenser Stainless Steel (Paper), AC HBDP E

Product sheet

A restroom serves an important function. This is especially true for your female guests. They use the space for a quick freshen-up or need to change their sanitary products. Special facilities are required for this. With this subtle hygiene bag dispenser, you are perfectly prepared for the arrival of female guests. This stainless steel hygiene bag dispenser from Dutch Bins is a typical example of subtle design with practical purpose. The simple stainless steel exterior
