

Hygiene Bag Dispenser white (plastic/paper), AC HBDS EP

Product sheet

A toilet room requires more than just sufficient toilet paper and a convenient waste bin. This is especially true for the women's toilet. In addition to the necessary freshening accessories, a practical hygiene bag holder is essential. The Dutch Bins hygiene bag holder stands out not only for its subtlety, but also for its immaculately white color. The design is fully tailored to a clean and tastefully appointed toilet room. The round hole on the front provides just enough space for the
