

Hygiene Bin 20 Litre Stainless Steel afp-c, WIN LB2 20 SAL

Hygiene Bin 20 Litres Is your ladies' toilet used intensively? Nothing is more frustrating for women than overfilled small hygiene bins. This 20 litre version has all the conveniences and hygienic benefits of the smaller version, but has the desired volume to accommodate a large number of visitors. The waste bag is easy to remove thanks to the convenient replacement system, where the hygiene bin lid stays open. Don't forget to consider the corresponding hygiene bag holders as well! For more information, contact us immediately!
