

Hygiene bin 23ltr satin, PQH23M

Product sheet

When you enter a toilet room that is completely equipped, you experience it as hospitality and comfort. It's the details that make the difference. For example, the PlastiQline hygiene bin, which is completely closed and always smells fresh thanks to the scent block in the lid. Within the PlastiQline, a complete dispenser line with plastic products, you can choose accessories with a stainless steel look. Like this hygiene bin. You are then assured of a user-friendly solution. The handy
