

Hygiene Bin 9 Litre Stainless Steel, QLB9 SSL

Product sheet

The hygiene bin is part of the basic equipment for every (ladies) toilet. Which model will you choose? If your interior is designed in a sleek and stylish way, you will appreciate the design of the Qbic-line hygiene bin. The Qbic-line hygiene bin has a capacity of no less than 9 litres. A capacity that remains quite discreet: thanks to a removable stainless steel rim, the waste in the bin is largely hidden from view. After use, the lid closes the stainless steel hygiene bin completely again. That is typical Qbic-line: not
