

Hygiene bin + bag dispenser 10 liters white, MQHB10P

During a toilet visit, your visitor expects sufficient storage space for hygienic waste. With the closed hygiene bin from MediQo-line, you will more than satisfy all your female guests. What is convenient about this practical hygiene bin from MediQo-line is the specially mounted bag holder. Waste bin and hygiene bags can be used immediately one after the other. Using the bag and inserting it into the hygiene bin is just a matter of seconds. The design is finished with the closed inlet flap.
