

Waste Bin + Hygiene Bag Holder 8 Litre Knee Operation Plastic White, PQHBS

For your female guests, a visit to the sanitary facilities is more than just a sanitary stop. It is a moment of refreshment, touching up makeup and changing feminine hygiene products. A fully equipped sanitary facility will therefore leave a lasting impression on your female visitors. If there is one hygiene waste bin designed with hygiene in mind, it is the PlastiQline Hygiene Bin with knee operation. This practical all-in-one hygiene waste bin is an asset to any ladies' toilet.
