

Waste Bag Holder 60 Litre Stainless Steel, AVZH 60 E

Product sheet

There are days when the waste seems to pile up. There is no end to the stream of wipes, food and residual waste. It is precisely at those moments that you want nothing more than a waste bin that can take a beating. This double-walled waste bag holder has a capacity of around 60 litres. This means sufficient space for a full day, including peak times. Changing the bag can be done efficiently by detaching the inner ring from the outer ring. Because the waste bag holder is equipped
