

Waste Basket 18 Liters White, MQ-P18

Product sheet

If you often deal with waste, it is helpful to have a waste basket that clearly stands out. The contemporary design white waste basket from the MediQo-line is therefore an eye-catcher in any sanitary room. The waste basket can be easily mounted via the four integrated hanging points. Thanks to the wire construction, the contents are easy to check. A confrontation with an overflowing waste bin is therefore excluded. The container provides sufficient space for
