

Waste Basket 50 Liters Aluminum Look, MQ-Z60

Product sheet

In a clean and carefully arranged sanitary area, litter lying around is a no-go. A professional waste basket is therefore indispensable. This waste basket not only meets the current wire basket trend, but is also practical to use. The open top makes it easy to dispose of waste, while the wire basket construction allows for quick content inspection. The rectangular shape of the basket makes it suitable for any location in your sanitary area. Holds
