

Waste Bin 20 Liters Open Stainless Steel afp-c, WIN WBO2 20 SAL

Product sheet

Waste bin open stainless steel This beautiful and practical waste bin is versatile for use in any room. With a clever system, the lid remains attached to the bin during bag replacement. This allows the sanitation staff member to empty the bag with ease. The open drop chute also provides optimal user convenience. Would you like to benefit from this win-win situation too?
