

Waste Bin 23 Liters Half Open White, PQA23

Product sheet

When setting up sanitary facilities, user convenience is paramount. That means: convenience for the guest and for the facility service. This waste bin from PlastiQline is a good choice in this regard. The white plastic waste bin is very practical. Thanks to the opening of the half-open waste bin, disposing of waste is simple. At the same time, you can easily replace the waste bag: simply lift the lid off the bin. Looking for a solid and affordable plastic waste bin with
