

Waste bin 25 litre open stainless steel/plastic black, PQXA25

Product sheet

Your guests expect a sanitary room with a clean and hygienic appearance. A room where no paper is lying around or waste on the floor. The PlastiQline Exclusive open waste bin offers you a practical and stylish solution for all your waste. The open PlastiQline Exclusive waste bin is recognizable by the black plastic and the exclusive stainless steel plate. Due to the combination of these different materials, this waste bin has a real design appearance. This makes the waste bin stand out
