

Waste Bin 7 Liter Stainless Steel, AC WB 7 E

Product sheet

Clutter makes a bad impression on your guests. That's why you're looking for the most practical, but also most stylish solution for your waste. With this stainless steel waste bin from the Dutch Bins accessory line, you'll keep everything tidy. The stainless steel waste bin by Dutch Bins not only stands out in design, but also has a generous capacity of 7 liters. This provides the bin with plenty of space for everyday waste, yet is subtle enough not to be too noticeable. Due to the special
