

Waste Bin 80 Liters White, PP0080

Product sheet

Scattered waste in your business makes a bad impression on your guests. That is why you ensure a tidy workplace and a properly equipped sanitary facility. The accessories from Mediclinics help you with this. The Mediclinics waste bin has been carefully designed. The sleek design is mounted on four plastic feet. This makes it easy to clean the floor under the bin. Since the waste bin can be installed both as a free-standing unit and wall-mounted, it is flexible in its use.
