Foam soap dispenser 900 ml refillable

Stainless steel foam soap dispenser 900 ml, QSDR08F SSL

It is a basic rule of hygiene: Wash hands after using the toilet. Therefore, it is your challenge to keep each soap dispenser filled. Thanks to the 900 ml refill reservoir in this foam soap dispenser your guests and/or employees not easily find an empty dispenser. The design of the Qbic-line foam soap dispensers has been thought of in detail. This is shown by the cubic design with the characteristic Q on the front. But it is also noticeable in daily use. Whether you push the black, square button either or open the dispenser with the special key to refill the reservoir. This stainless steel foam soap dispenser is easy to use and durable.Curious to know if the Qbic-line foam soap dispenser fits into your project? We will gladly make you an offer!
