

Spray dispenser 900 ml refillable

Stainless steel spray dispenser 900 ml, QSDR08S SSL

Architects and interior designers know the Qbic-line Spray Dispenser mainly because of its modern design. Once you are used to this dispenser, you especially appreciate the ease of use and high quality. This Qbic-line Spray dispenser is intended for a user-friendly dosage of spray soap and thin alcohol (for the disinfection of hands or objects). Open the dispenser with the unique spring lock - only to be opened with the special Qbic-line key - and refill the reservoir with 900 ml spray soap or alcohol. If you opt for practical or hygienic reasons for using pouches / cartridges, this spray dispenser is also suitable. Does this Qbic-line Spray dispenser suit your project? Does this dispenser meet your needs and requirements? We will gladly make you an offer.
