

Soap dispenser automatic plastic white

Soap dispenser automatic white, AC 750 W

In a medical environment hygiene is crucial. All your sanitary accessories should therefore focus on use as spotless as possible. The MediQo line is specially designed for environments where hygiene plays a leading role. This soap MediQo-line dispenser automatically dispenses the right amount of soap or alcoholic gel. Unhygienic hand contact with the dispenser is avoided that way. The dispenser is automatically activated by an electronic sensor. The optimal hygienic use of the dispenser makes it extremely suitable for any clinical environment. Is hygiene also your basic rule number one? Choose the automatic soap dispenser white, AC 750 W MediQo line. Ask for the quote!
