## Foam soap dispenser automatic stainless steel look, MQAutFoamM

It's all about clean hands in an environment where hygiene is number one. A professional foam soap dispenser is, therefore, indispensable. More than 1000 ml foam soap fits into this dispenser. Enough for high traffic sanitary areas. The stainless steel exterior gives a playful accent in a hygienic room, where light plays the leading role. This foam soap dispenser has a special built-in sensor, which is activated by skin contact. That way the dispenser always gives a precise amount of foam soap. If you opt for the use of foam soap?
