

Soap- and disinfectant dispenser 500 ml long lever aluminium

Soap- and disinfectant dispenser aluminium 500 ml long lever, MQL05A

The major part of the germs is transmitted by hand contact. Especially in a sterile environment good hand hygiene is of importance. With the MediQo-line soap and disinfectant dispensers you always have sufficient disinfectants on hand. It goes without saying that this disinfectant dispenser is well thought out. The special long lever makes this dispenser easy to operate with the elbow. This prevents hand contact, ensuring the hygiene of the environment. The dispenser comes inclusive of a refillable reservoir. Looking for a dispenser with elbow operation? Then this soap and disinfectant dispenser offers the solution. Request the quote.
