

DUO soap- and disinfectant dispenser 1000 ml short lever

DUO soap- and disinfectant dispenser stainless steel 1000 ml short lever, MODV10E

In a medical environment where every second counts, it's easy if you have all disinfectants available in one place. The MediQo-line duo soap and disinfectant dispenser also offers the solution. With this duo soap and disinfectant dispenser, you always close at hand. The dispenser consists of two parts, in which the bottles hang separately. Both bottles are activated through the short lever and dosing pump at the top. By pushing down the lever, you dispense the right amount of soap or disinfectant. The dispenser is supplied including reservoir. All your disinfectants readily available? Ask now for the quote.
