

Air freshener

Stainless steel AFP-C air freshener, WIN AFL SAL

Stainless steel air freshener Scent is emotion. When entering a room that smells nice, your guests will instantly get a sensation of cleanliness and comfort. You can now make sure your visitors have this sensation. This air freshener is an asset to any room. The dispenser's timer lets you program it to operate whenever you want! That means no more wasting of consumables! Are the toilets used only between 10am and 2pm on Monday to Friday? No problem, you can set this model to operate on the days and during the hours you need. Your restrooms will smell nice at the times you program. Scents from the fragrance containers are released as the gel evaporates, and they have low VOC content.
