

Air freshener

Stainless steel air freshener, QGNTL SSL

If you have a sense of design, you know that every detail counts. And so the air freshener forms an integral part of the bathroom. Good news that it is also available in the unique Qbic-line design. This stainless steel air freshener is suitable for almost any room: you mount it onto the wall. Thanks to the grid at the bottom the Qbic-line air freshener gives a strong odour experience. Therefore the pleasant smell soon prevails. Welcome and comfortable for the guests. The integrated fan ensures that the scent is evenly distributed. Ideal. Provide your washroom or other rooms with the Qbic-line stainless steel air freshener. Request a quote!
