

Hand dryer white automatic

Hand dryer automatic white, M03A (Mediflow)

Decorating a washroom requires business knowledge and a good eye for detail. Choosing your accessories plays a major role in it. With this Mediclinics hand dryer you know for sure that you are going to make a good impression on your guests. The rounded design on the front, and the accurate distribution of the air holes at the bottom show the practical approach of the designer. Something which, moreover, is also clearly visible in the simple use of the hand dryer; because of the automatic starter your guest only has to extend his hands. The carefully set air velocity and the pleasant temperatures cause your guest to stand outside again in a short time. Do you like to combine the sleek design and ease of use? Request a quote.
