

Hand towel dispenser small stainless steel

Hand towel dispenser small stainless steel, MQHSE

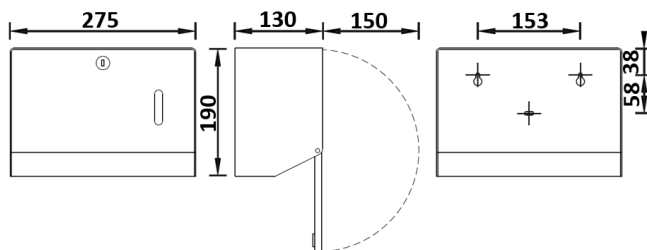

If you have a feeling for style, you know that every detail counts. With this modest towel dispenser you find a tasteful and practical addition to any washroom. This subtle towel dispenser particularly attracts attention because of the sleek design. The design of the body is fully focused on functionality. When using you take the towels via the opening at the bottom of the dispenser. The front of the dispenser can be swung open, so that the towels can easily be replenished. Do you think good hand hygiene is valuable? Ask now the quote for the stainless steel MediQo-line towel dispenser.
