

Wall grab bar - right version stainless steel

Wall mounted grab bar right stainless steel, BFD600CS

As a disabled person, a visit to the toilet is quite an undertaking. Therefore, you like your toilet to be equipped with additional accessories that help optimize the ease of use. Extra support next to the sink cannot do any harm. This wall bar is specially designed for right-handed clients. The grab bar consists of three supports, which can be used independently of each other. The strong three anchoring points on the wall ensure a safe operation of the grab bar. The stainless steel grab bar makes it a stylish addition to your washroom. Do you like to offer your customers extra convenience? Ask now the quote for the MediQo-line wall bar for mounting on the right.
