

Angled bar wall to wall stainless steel

Angled bar wall to wall stainless steel, BD0700CS

Accidents do happen. Fortunately a solution as well. The MediQo-line angled bar offers your disabled visitors a maximum comfort experience during visit to the washroom. For furnishing a washroom for the disabled there are special requirements. One is the installation of sufficient grab bars. Mounting them enables your visitor or client an independent visit to the toilet. This MediQo-line grab bar is, therefore, specifically designed for use in a small room. The grab bar can be mounted at any angle. This ensures ease of use for disabled visitors. Ask now for the quote.
