

Glove dispenser UNO stainless steel

Glove dispenser UNO stainless steel, MQGDE

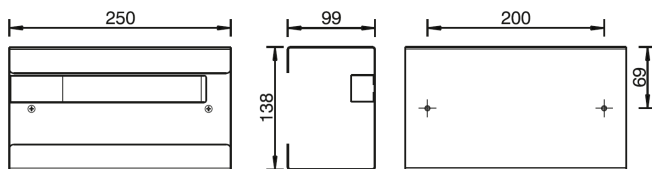

If you end up in an emergency situation, it is always nice to have latex gloves on hand. This is how it works; slide the back of the glove boxes simply through the spring stainless steel clamp bracket. This bracket holds the box firmly in place in any situation. The dispenser can be mounted on the wall, as desired, horizontally or vertically. Just what you think useful. Ask now for the quote.
