

Glove dispenser TRIO aluminium

Glove dispenser TRIO aluminium, MQTGDA

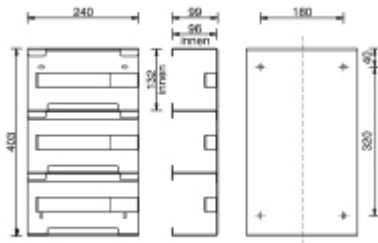

Latex gloves offer optimum protection against unwanted germs. With the gloves from the glove dispenser trio of MediQo line you prevents accidental infections. This dispenser catches especially the eye because of the aluminum frame. The sturdy material gives the dispenser a highly robust finish. A solid basis for the three glove boxes, which are attached behind the resilient stainless steel clip. By placing the opening forward, you remove the gloves fast from the box. Would you also like to be assured of maximum protection against germs? Ask now the quote for the MediQo-line aluminium trio glove dispenser.
