

# Sanitary bin 23 litre plastic

## Sanitary bin 23 litre plastic stainless steel look, PQH23M

If you enter a toilet room that is fully equipped, you experience that as hospitality and comfort. The details make the difference. For example, the PlastiQline sanitary bin, which is completely closed and - thanks to the fragrance cube in the lid - always smells fresh. You can choose accessories with a stainless steel look in the PlastiQline, a comprehensive dispenser line with plastic products. Such as this sanitary bin. You are then immediately assured of a user friendly solution. The handy swing lid makes discrete throwing in waste possible. And the bin liner is easy to change of course. Do you want to know more details and request a price? We will gladly make a custom made quote for you.
