

Sanitary bag dispenser stainless steel

Sanitary bag dispenser stainless steel for plastic hygiene bags, MQHBPL E

That simplicity does not mean there is no stylish presentation proves this stainless steel MediQo-line sanitary bag dispenser. The sleek design of the dispenser draws all attention to the practical use. This dispenser consists of a simple plate with a circular opening at the front. Through this opening your guest can remove the hygienic bags in a simple manner. The plate can be mounted on the wall via two assembling points. The sanitary bag dispenser is suitable for mounting on a bin as well as on the wall. If you go for ease of use, you choose the mediQo-line sanitary bag dispenser. Ask for the quote.
