

2rolls dispenser (standard)

Stainless steel 2rolls dispenser for standard rolls, QTR2 SSL

It is a pleasant idea for every toilet visitor toilet not to have the infamous "last sheet" in sight. But how can you offer an extra roll of toilet paper and keep the toilet room tidy? Indeed, with this stainless steel twin roll holder. The Qbic-line twin roll holder is ideal for toilets with a limited frequency of visits. The compact stainless steel housing - of course according to the Qbic-line recipe - fits two toilet rolls. Very user-friendly. Is the first roll is empty, the empty core remains in the dispenser and automatically switches place with the new role. Show with this Qbic-line stainless steel twin roll holder that you pay attention to the details. Request a quote!
