

Centre pull dispenser white

Centre pull dispenser white, DT0303

Accidents will happen. Especially when water or soap is concerned. A well-trained cleaning service or neat guest, of course, wants to clean up as soon as possible. With the Mediclinics centre pull dispenser your visitors and staff always have towels at hand for the small and big accidents. It should be userfriendly for your guests. Therefore, the sleek design of the Mediclinics centre pull dispenser is aimed at ease of use. You will find the towels at the bottom of the dispenser and you cut the desired length off at the appropriate edge. Changing the roll is simple and practical; pull the roll through the sliding hatch in the dispenser, and the dispenser is at full strength again. Are you looking for a centre pull dispenser which is both simple and practical? Ask now for a quotation.
