

Centre pull dispenser

Stainless steel/ABS centre pull dispenser small, PQXMiniC

Whether it concerns clean hands or cleaning your washroom, you always like to spend as little time as possible in it. With this multifunctional centre pull dispenser you always get the towels fast and efficiently. Through the specially cut V-shape at the bottom of the holder, you tear off the tissues quickly and effectively. So within a short time you are outside the washroom with dry hands. As with all PlastiQline Exclusive products this centre pull dispenser features the contemporary design and the practical finish. The stainless steel front gives the holder a smart and contemporary look at the same time. The centre pull dispenser is easy to use and has two transparent side windows for easy content control. So you never miss hold! Do you want a stylish addition to your washroom? Ask now the quote.
