Centre pull dispenser midi table-top model

Stainless steel midi centre pull dispenser table-top model, QCPTT SSL

Do you need a centre pull dispenser in certin areas but there is no wall to hang it on? Or do want to be flexible and be able to move the centre pull dispenser? The Qbic-line centre pull dispenser, executed as a table top model, is the ideal solution. You do not have to be an expert to see that this table top model belongs to the Qbic-line series. Each time you take paper, you notice the Q at the top. Beneath it there is the midi centre pull cleaning roll. You replace the roll fast and easily by opening the cover with the special Qbic-line key. Ideal for the user and the facility service. Do you also like to use the table top model of the stainless steel centre pull dispenser? Ask for a quotation!
