

Industrial paper roll holder free standing

Paper roll dispenser free standing for industrial rolls, IPWRH

In an organization where hygiene is important, a centre pull dispenser is indispensable. With the simple replaceable MediQo-line industrial centre pull dispenser there is always sufficient paper at hand. A real professional chooses the industrial MediQo-clinics centre pull dispenser. The centre pull dispenser consists of a simple construction with a tube in the middle for the roll. Changing the roll is easy; the tube can be removed completely from the dispenser. Tearing off the paper is, moreover, simple; you can precisely determine the amount of paper and get it past the plastic sharp edge. If you want to be assured of adequate cleaning paper, ask here for the quote of the free standing centre pull dispenser for industrial rolls
