

Locking plate stainless steel 1000 ml

Locking plate with window 1000 ml stainless steel, MQLP10E

In a public toilet not everyone is careful when using your 1000 ml MQ dispenser. Very annoying of course. Fortunately, the tailor made locking plate offers protection against unwanted external aggression. This locking plate completes your 1000 ml MQ dispenser. You mount the locking plate easily on the front of the dispenser with the key supplied. The tanks inside are thus optimally protected. Level control remains possible via the window on the front. Do you value sustainable use? Ask now the quote for the stainless steel locking plate steel 1000 ml MQ dispensers.
