

Hand dryer hands-in automatic plastic

Hand dryer hands-in automatic white, PQ14A

If your guests have just had a relaxing moment, they are not waiting for a noisy hand dryer. The designers of the exclusive hands-in hand dryer have taken this into account. This hands-in hand dryer is characterized by a subtle volume and incredibly fast drying time. The dryer has, unlike other dryers, a carefully built-in noise reduction, so that your guests will not be startled by unwanted blowing sounds. The dryer is equipped with a special anti-bacterial Biocote protection, ensuring the hygienic use of the dryer. You do your guests a great favour with this hand dryer. So request a quotation now.
