

Air-O-Kit refill LEMON

Air-O-Kit refill, LEMON

Do you want your guests to experience the wholesome atmosphere of a spa when visiting your sanitary area? Allow your guests the luxury experience of an Air-O-Kit with a Lemon filling. This lovely fragrance is the result of a mixture of essential oils that are good for people and the environment. In addition, the filling is ribbed, ensuring an even better spreading of the aroma. A fresh smelling sanitary area will always work well for your guests and also says something about the building. Would you like to have all this in good order? Request a quote now!
