

Spray dispenser 1500 ml stainless steel black

Spray dispenser 1500 ml stainless steel black, DJS0033B

Shared toilet seats could contain micro organisms that could cause all sorts of infections. Which is not a nice thought. However, by using the Mediclinics Spray dispenser, filled with alcohol or disinfectant spray, you could prevent the spread of unwanted bacteria. No deluxe design sanitary area should be without a spray dispenser. But what model to choose for? You are definitely showing grit when selecting this exclusive black stainless steel Mediclinics spray dispenser. The black stainless steel housing is a fine piece of Mediclinics design and will immediately draw your guests' attention. You can fill the dispenser with alcohol so that your guests are always assured of optimal hygiene. Would you like to go for a high quality design? Then request a quote for our Mediclinics Black Stainless Steel 1500 ml Spray Dispenser.
