

Waste bin 80 litre open white

Waste bin 80 litre open white, PP1080

An immaculate look makes your washroom more attractive. Especially in the lines of businesses where high demands on hygiene are required. The sleek white line from the Mediclinics series is therefore often used in medical and business environments. This open bin shows what space is. The large 80 liter capacity copes with almost all waste streams throughout the day. Should the bin still get full, changing the bag is done quickly; by removing the full bag from the four hooks of the opening, you will have a clean one on the hook within a short time. Do you value a spotless look of your (wash) room? Ask now the quote for this white open 80 litre bin.
