Waste bin 6 litre closed white, MQWB6P

A bright, hygienic space requires spotless accessories. A choice of a white MediQo-line waste bin is, therefore, only logical. Maybe you have a low traffic space. Then this aluminum bin with a capacity of 6 liters is a suitable addition. The subtle design does not attract attention against a white wall. The slightly protruding swing lid is easy to lift, so that the ease of use is optimal. A contemporary design in a bright room? Then choose a white closed mediQo-line waste bin. Request the quote.
