

Waste bin 25 litre closed

Stainless steel/ABS waste bin 25 litre closed, PQXAC25

Beautiful design need not be expensive. That proves this PlastiQline Exclusive waste bin. The modern waste bin is a typical example of contemporary design with a practical application. The PlastiQline Exclusive waste bin immediately strikes you by the sleek design of different materials. This gives this practical accessory gets a smart and contemporary look at the same time. The bin features are especially practical. Thus, the hinged lid is easy to operate and ensures a hygienic closure of the bin. That way the waste cannot be seen by your guests. Moreover, the black plastic edges of the valve lid prevent unhygienic fingerprints, making the lid retain its immaculate and clean appearance all day. If you choose contemporary design with a practical touch? Ask now for the quote.
