Waste bin 30 litre open stainless steel

Waste bin 30 litre open stainless steel, QWBO30 SSL

A waste bin is designed to collect garbage in a room. Therefore you will find it important that waste can be disposed of easily and the waste bag can be swapped quickly. That's exactly where the open stainless steel Qbic-line waste bin, with a capacity of 30 litre, excels in. The waste bin is provided with a bag holder. The bag is thus hidden from view, but quickly interchangeable. So easy for the facilities department. Do you want to install a stainless steel bin on the wall in sanitary or other rooms?
