

2rolls dispenser plastic white (system rolls)

2 rolls dispenser plastic for system rolls, PQ20SDuo

In itself a toilet roll may be of little value, but when you run without they appear crucial. When using the PQ20SDuo Toilet Roll Dispenser for system rolls you will know for sure that you will never be short of that essential piece of paper. We can definitely call the PQ20SDuo Toilet Roll Dispenser for system rolls a technological 'tour de force'. A dispenser where ease of use, smart design and robust construction merge into each other beautifully. The dispenser can hold two system rolls that can be easily be exchanged via the bottom of the dispenser. Another clever feature is the uniquely shaped viewing window on the front to check the dispenser's content. Would ease of use, smart design and robust construction be a good match for your project? Then request a quote now.
