

Hand towel roll dispenser touchless

Stainless steel hand towel roll dispenser touchless, HTU 1 E

When decorating your sanitary area the options are endless; do you choose for simplicity, style or just that extra touch of class? When opting for the SanTRAL accessory line it will be instantly clear that your biggest concern is the comfort of your guests. Chic and elegant. This is how to describe this hand towel roll dispenser in only two words. A fine piece of deluxe SanTRAL design and easy to use. The hand towel roll will automatically activate when holding your hands in front of the sensor. And to really finish it off nicely; you can set the paper length and delay time yourself. You can easily see if a refill is required by having a peek in the viewing window on the front of the dispenser. Are you looking for just that little bit of extra class in your sanitary area? Then request a quote for our touchless SanTRAL Hand Towel Roll Dispenser Large.
