

Hand towel dispenser large

Stainless steel hand towel dispenser large, CLH-CS

It is important that people can adequately dry their hands after washing them. It removes any remaining dirt and prevents the development of cracks in the skin. Basicline has a competitively priced and practical solution for this. This hand towel dispenser has the added bonus of a very neutral look, making it suitable for any sanitary interior. The practical view window allows for a quick content check which is something the facility services staff will certainly appreciate. The dispenser can be opened at the front. Are you looking for a well-priced and practical towel dispenser with a neutral look? Then request a quote now.
